## REKLAMAČNÍ ŘÁD

vydaný společností fischer international s.r.o.  
se sídlem Průmyslová 1833, 250 01 Brandýs nad Labem  
IČ: 25140388

Tento Reklamační řád slouží k zajištění správného postupu a informovanosti spotřebitele při uplatňování práva odpovědnosti za vady věci (reklamací) a byl vypracován v souladu se zákonem č. 89/2012 Sb., občanský zákoník, ve znění pozdějších předpisů a zákonem č. 634/1992 Sb., o ochraně spotřebitele, ve znění pozdějších předpisů.

### Článek 1.

#### PRÁVO KUPUJÍCÍHO NA REKLAMACI VADNÉHO ZBOŽÍ

Vyskytne-li se u zakoupeného zboží vada v době 24 měsíců od převzetí, má kupující právo tuto vadu reklamovat. Pokud byla poskytnuta v návodu, na obalu, v záručním listě nebo v reklamě záruka (dále jen „záruka“), má kupující právo zboží reklamovat v záruční době.

Za vadu nelze považovat:

změnu zboží, která vznikla v průběhu záruční doby v důsledku opotřebení či nesprávného používání, popř. nesprávného zásahu. Záruka se neposkytuje na nepřiměřené či nevhodné používání, jako např. přetěžování přístroje nebo použití nevhodných doplňkových dílů, násilné používání, poškození zapříčiněné cizím působením nebo vlivy jako písek nebo kamení, škody vzniklé nedodržením návodu k použití např. zapojením na nesprávné napětí či proud. Záruka se dále nevztahuje na přístroje, které byly poškozeny působením vnějších vlivů, např. znečištěním, při styku s vodou, v důsledku přírodních jevů (bouřky, přepětí v síti apod.) nebo mechanicky poškozeny (např. při dopravě nebo pádem). Ze záruky jsou rovněž vyloučeny ty přístroje, které byly částečně nebo úplně rozebrány, včetně zásahů a oprav neautorizovaným servisem, přístroje, u kterých se údaje v předložených dokladech liší od údajů uvedených na výrobku nebo u nichž je poškozeno výrobní číslo, štítek apod. Jestliže kupující uplatní právo z odpovědnosti za vady zboží (dále jen reklamací), pověřený pracovník prodávajícího vydá o přijetí reklamací potvrzení. Reklamací včetně odstranění vady bude vyřízena:

1) do 30 dnů ode dne uplatnění reklamací

2) v delší lhůtě, pokud se prodávající se spotřebitelem na delší lhůtě dohodne.

Sjednání delší lhůty se vyznačí na reklamačním protokolu. K reklamaci lze přiměřeně požadovat, aby byla čistá a posouzení reklamací nebrání obecné zásady hygieny.

### Článek 2.

#### MÍSTO PRO UPLATNĚNÍ REKLAMACE

Kupující může uplatňovat reklamací u prodávajícího, u kterého bylo zboží zakoupeno. Jestliže ale bylo zboží zakoupeno u prodávajícího, který je majitelem sítě prodejen, pak má kupující právo uplatnit reklamací na jednom z následujících míst:

1) v kterémkoliv prodejně patřící prodávajícímu, v níž je přijetí reklamací možné, a to s ohledem na sortiment prodávajícího zboží

2) v místě nebo sídle podnikání prodávajícího.

Kupující je povinen prokázat, že jeho nárok na vyřízení reklamací je oprávněný, tzn., že kromě vytknutí vad dokládá i místo zakoupení, což prokáže nejlépe prodejním dokladem (doklad o zaplacení zboží apod.), popřípadě jiným věrohodným způsobem.

### Článek 3.

#### LHŮTA PRO UPLATNĚNÍ REKLAMACE

Prodávající odpovídá za vady, které se vyskytnou po převzetí věci kupujícím v době 24 měsíců od převzetí nebo v záruční době. Prodávající je povinen vydat kupujícímu, pokud o to požádá, potvrzení o odpovědnosti za vady, případně potvrzení o záruce, je-li poskytnuta (záruční list) s vyznačením rozsahu a podmínek záruční doby. Právo na reklamací zboží kupujícímu zanikne, nebylo-li uplatněno v záruční lhůtě nebo v době 24 měsíců od převzetí zboží. Reklamací vady musí kupující uplatnit bez zbytečného odkladu, ihned po zjištění vady. Záruční dobu nelze zaměňovat s životností zboží, tj. dobou, po kterou při správném užívání a ošetřování může zboží vzhledem ke svým vlastnostem, danému účelu a rozdílnosti v intenzitě jeho užívání vydržet.

### Článek 4.

#### ODSTRANITELNÉ VADY

Za odstranitelné vady se považují takové vady, kdy jejich odstraněním neutrpí vzhled, funkce a kvalita výrobku a oprava může být provedena řádně ve stanovené lhůtě. Pokud má věc vady, může kupující požadovat i dodání nové věci bez vad, pokud to není vzhledem k povaze vady nepřiměřené, ale pokud se vada týká pouze součástí věci, může kupující požadovat jen výměnu součástí. Je-li to však vzhledem k povaze vady neúměrné, zejména lze-li vadu odstranit bez zbytečného odkladu, má kupující právo na bezplatné odstranění vady. Právo na dodání nové věci, nebo výměnu součástí má kupující i v případě odstranitelné vady, pokud nemůže věc řádně užívat pro opakovaný výskyt vady po opravě nebo pro větší počet vad. Prodávající vydá kupujícímu potvrzení o tom, kdy byla reklamací uplatněna a době jejího trvání. Náklady neoprávněné reklamací nese kupující.

### Článek 5.

#### PRÁVO NA SLEVOU Z CENY

Neodstoupí-li kupující od smlouvy nebo neuplatní-li právo na dodání nové věci bez vad, na výměnu její součásti nebo na opravu věci, může požadovat přiměřenou slevu. Kupující má právo na přiměřenou slevu i v případě, že mu prodávající nemůže dodat novou věc bez vad, vyměnit její součást nebo věc opravit, jakož i v případě, že prodávající nezjedná nápravu v přiměřené době nebo že by zjednání nápravy kupujícímu působilo značné obtíže.

### Článek 6.

#### CHEMICKÉ PRODUKTY

Datum výroby a datum expirace je vyznačen na kartuši či kontrolním ústřížku uvnitř balení (viz. níže). Expirační doba všech výrobků je minimálně 9 měsíců od data výroby. Expirační dobu nelze zaměňovat se záruční dobou. Expirační doba je minimální doba, po kterou je výrobek použitelný (životnost) s ohledem na jeho chemické a fyzikální vlastnosti (u všech chemických produktů dochází v průběhu času ke změnám – vlhnutí či naopak vysychání atd.).

V případě reklamací těchto produktů musí být vždy přiložen k reklamačnímu protokolu i kontrolní ústřížek a kopie faktury, na kterou bylo zboží pořízeno. Pokud nebudou tyto doklady řádně doručeny dodavateli, bude reklamací považována za neoprávněnou.

Doporučená skladovací teplota pro chemické produkty je od +5°C do +25°C. Akrylátové tmely nesmí zmraznout!

Označení, které je uvedeno na kartuši, viz. datum expirace

10 – kalendářní měsíc

24 – číslo roku, do kterého se může výrobek spotřebovat (2024)

tj. spotřebovat do října roku 2024

### Článek 7.

#### ŘEŠENÍ SPORŮ

V případech tímto Reklamačním řádem neupravených se právo odpovědnosti za vady věci řídí zák. č. 89/2012 Sb. občanským zákoníkem, ve znění pozdějších předpisů. "Pro spotřebitele je k dispozici možnost mimosoudního řešení sporů. Orgánem pro mimosoudní řešení sporů se spotřebiteli je: Česká obchodní inspekce, Gorazdova 1969/24, 120 00 Praha 2, Email: [adr@coi.cz](mailto:adr@coi.cz), web: [www.coi.cz](http://www.coi.cz), spotřebitel může využít i platformu: <http://ec.europa.eu/consumers/odr/>"

Ve sporech vzniklých při uplatnění odpovědnosti za vady věci rozhoduje soud.

Tento „Reklamační řád“ nabývá účinnosti dnem 1. ledna 2014.

Reklamační protokol poskytneme na vyžádání.
